ABOUT THE SYSTEM

**INDUSTRIAL
STRENGTH**

**QUICK & EASY
INSTALLATION**

**FREE
STANDING**

**AUSSIE OWNED
& DESIGNED**

Steelspan is Australia's trusted team of experts in storage solutions. Whether you are looking to organise your garage, workshop, warehouse, retail or office space our customisable and expandable solutions are ready to be delivered nation wide.

We are a family run business with decades of combined experience and have helped thousands of customers find the perfect storage solution.

Designed in Australia, the modular Longspan Metal Shelving system comprises interchangeable components that can be configured to meet the demands of any workspace.

All components are engineered to last; featuring a high shelf load capacity, powder coated steel construction, height adjustable shelves and a choice of steel, mesh or particleboard shelf material. The system can be expanded later to have more shelf levels or even more interconnected shelving, cabinets or workbenches. Longspan Metal Shelving comes in a range of heights from 1000mm to 4200mm and can even be configured for plastic tub or tyre storage.

The robust, modular and free-standing nature of Steelspan Longspan Metal Shelving offers the flexibility to cater for a broad range of applications and installation is quick and easy.

**AFTER PURCHASING CHEAP, LESSER QUALITY PRODUCTS FROM INTERNET SELLERS, I DECIDED TO GIVE STEELSPAN A GO. I AM THRILLED WITH THE QUALITY OF THE PRODUCTS AND THE ABILITY TO TAILOR THE SIZES ACCORDING TO MY NEEDS. GREAT SERVICE AND FAST DELIVERY ALSO. 11/10.
- MARK A.**

WHY STEELSPAN?

- ✓ Ready access to stored items instead of offsite storage.
- ✓ Modular free-standing design means no fixing to walls.
- ✓ Safe, secure and vermin proof.
- ✓ Built to last and backed by a 3 year warranty.
- ✓ Modular design means customisable, expandable and easily relocatable.
- ✓ An Australian owned family business.
- ✓ Have the best looking garage on the street.

FEATURES

An in depth look at Steelspan Longspan Metal Shelving.

LONGSPAN METAL SHELVING - 2100MM HIGH - FULL BAY - STEEL SHELF

Configurable in depths of 500mm or 800mm, widths of 600mm, 900mm, 1200mm, 1500mm, 1800mm or 2100mm and up to 7 shelf levels. Pictured: 500mm deep, 1800mm wide, 4 shelf levels.

Many heights, widths and depths available to suit any space.

Shelves are height adjustable at 50mm increments.

Industrial strength shelves constructed for heavy loads.

Modular end frames compatible with Steelspan modules and shelving for expandability.

Beam Length pair)*	Load Capacity (per beam pair)*
900mm wide	up to 890kg/UDL** per beam pair
1200mm wide	up to 720kg/UDL per beam pair
1500mm wide	up to 530kg/UDL per beam pair
1800mm wide	up to 450kg/UDL per beam pair
2100mm wide	up to 385kg/UDL per beam pair

*Load capacity is based on the strength of the horizontal steel beams - results may vary depending on shelf material

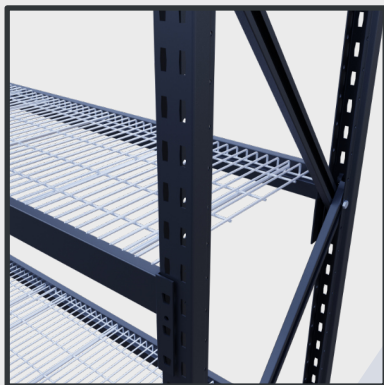

** Uniform distributed load

Free standing with Castor Wheel Kits available.

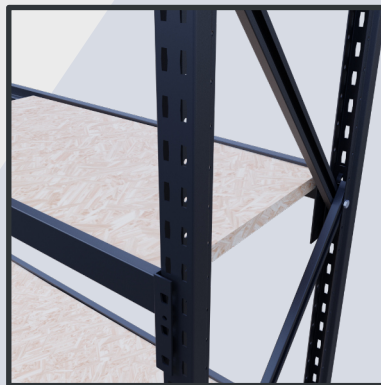

Add On Bays come with one End Frame and are for expanding Full Bays or Steelspan Modules.

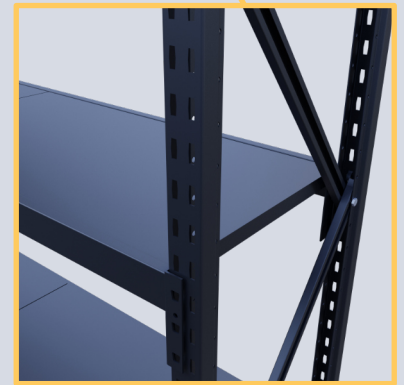

Choice of shelf level material.

Steel Mesh Shelves

Particleboard Shelves

Black Powder Coated Steel Shelves

ALSO AVAILABLE

Tyre Storage Shelving & Plastic Tub Shelving.

	LMS3100A	Longspan Metal Shelving - 3100mm High - Add On Bay	3100mm	- 600mm - 900mm - 1200mm - 1500mm - 1800mm - 2100mm	- 500mm - 800mm	Black Powder Coated Steel, Particleboard or Steel Mesh	Add On Bay (for adding to existing Full Bay)
	LMS4200F	Longspan Metal Shelving - 4200mm High - Full Bay	4200mm	- 600mm - 900mm - 1200mm - 1500mm - 1800mm - 2100mm	- 500mm - 800mm	Black Powder Coated Steel, Particleboard or Steel Mesh	Full Bay
	LMS4200A	Longspan Metal Shelving - 4200mm High - Add On Bay	4200mm	- 600mm - 900mm - 1200mm - 1500mm - 1800mm - 2100mm	- 500mm - 800mm	Black Powder Coated Steel, Particleboard or Steel Mesh	Add On Bay (for adding to existing Full Bay)
	PTS1200F	Plastic Tub Shelving - Full Bay	2100mm	- 1200mm - 2100mm	500mm	Plastic Blue Tubs	Full Bay
	PTS1200A	Plastic Tub Shelving - Add On Bay	2100mm	- 1200mm - 2100mm	500mm	Plastic Blue Tubs	Add On Bay (for adding to existing Full Bay)

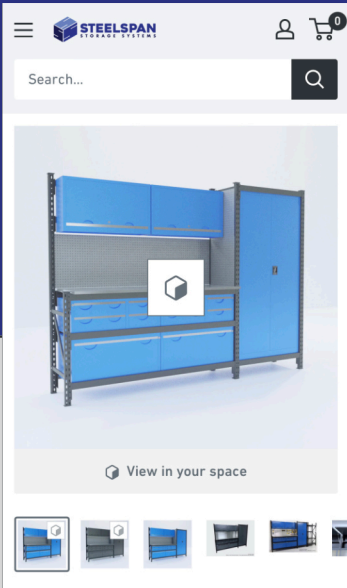

* NOTE: Width dimension shown is for internal measurement (i.e. Beam Length). Add 60mm for each shelving End Frame. So a Full Bay is Beam length plus 120mm (2 x End Frame), an Add-On Bay is Beam length plus 60mm (1 x End Frame). For example: A 900mm wide Full Bay of shelving is 900 + 120 = 1020mm wide (external).

** 3100mm and 4200mm High variants come with Foot Plates and concrete bolts for securing to the floor. Castor Wheels available for 1000mm and 2100mm High variants.
